

Once your registration is complete, here is how to download your card on your smartphone.

For IOS users (Iphone)

With your Iphone, start by opening your Safari browser

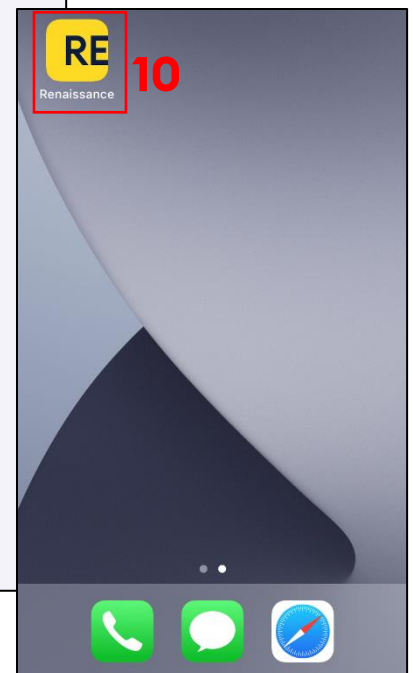

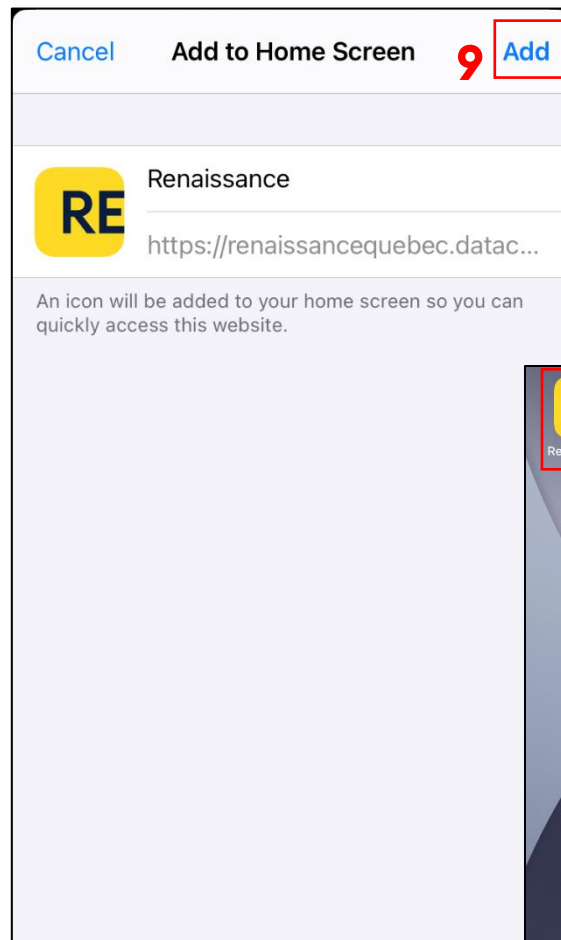

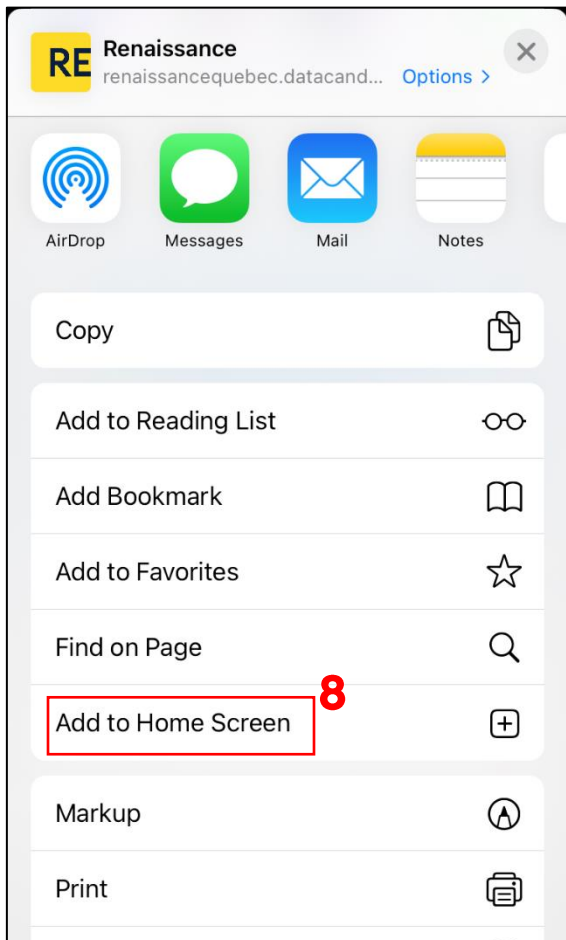

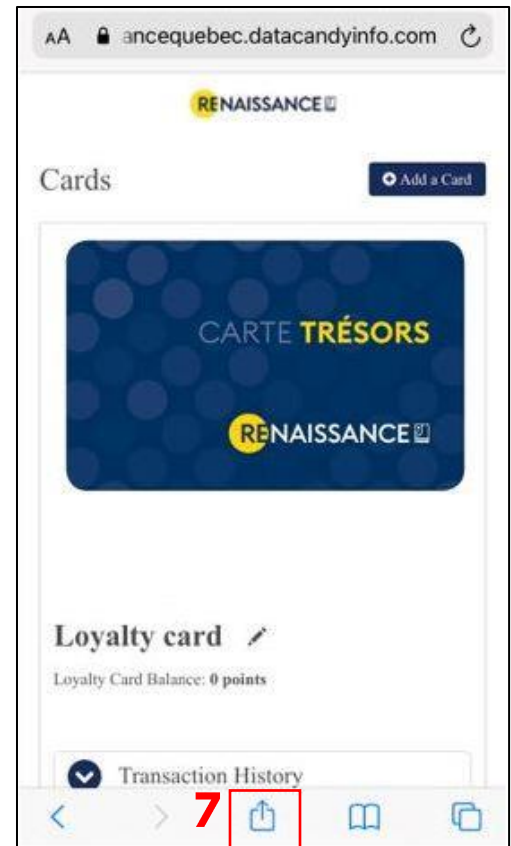

1. Access our website : renaissancequebec.ca
2. Click on the 3 lines in the upper right corner
3. Click on “Privilege program”
4. Select “Register”
5. You will then be redirected to a new page. Be sure to be in the “sign in” tab.
6. Enter your email address, the password you created when registering and click “I’m not a robot”

You will then see your card, your point balance and every transaction made with your card.

7. Click on the share icon
8. Click “Add to Home Screen”
9. Click add
10. You will now see the renaissance shortcut as an app on the home screen of your cellphone

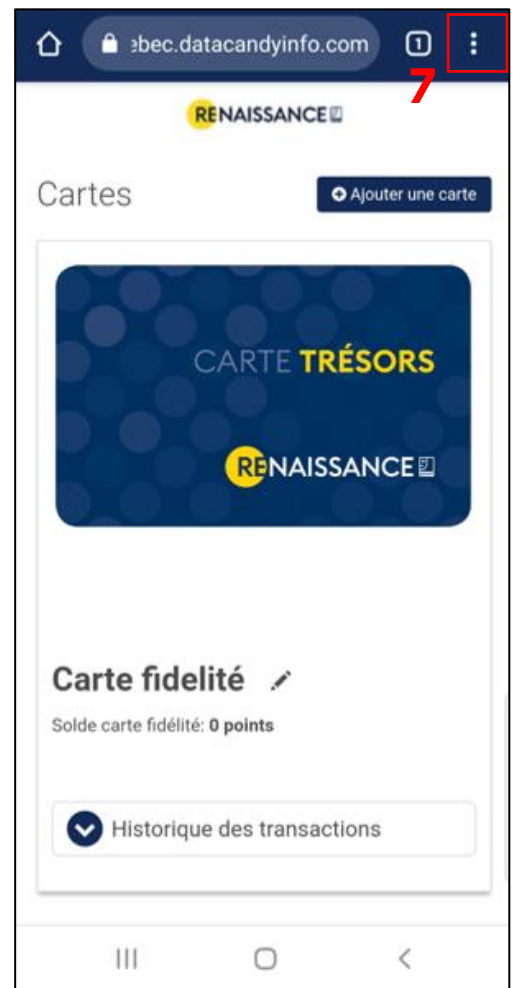

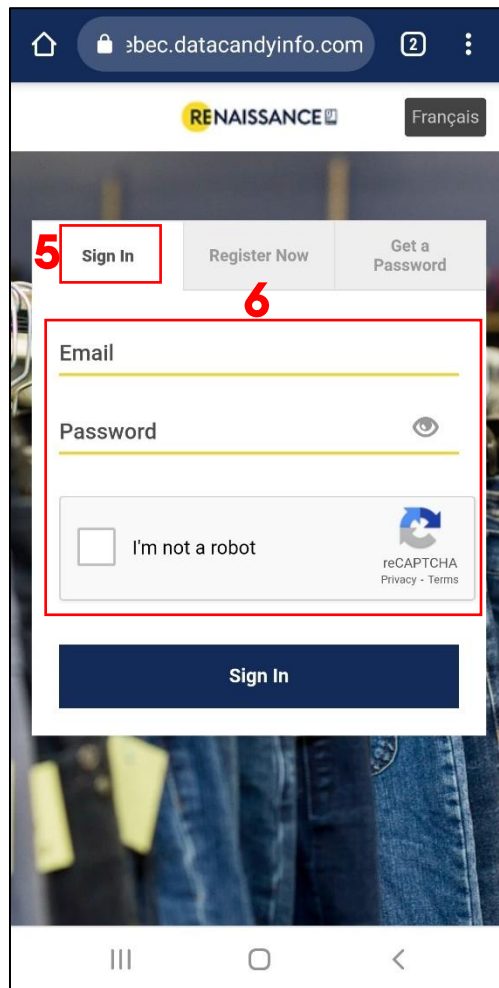

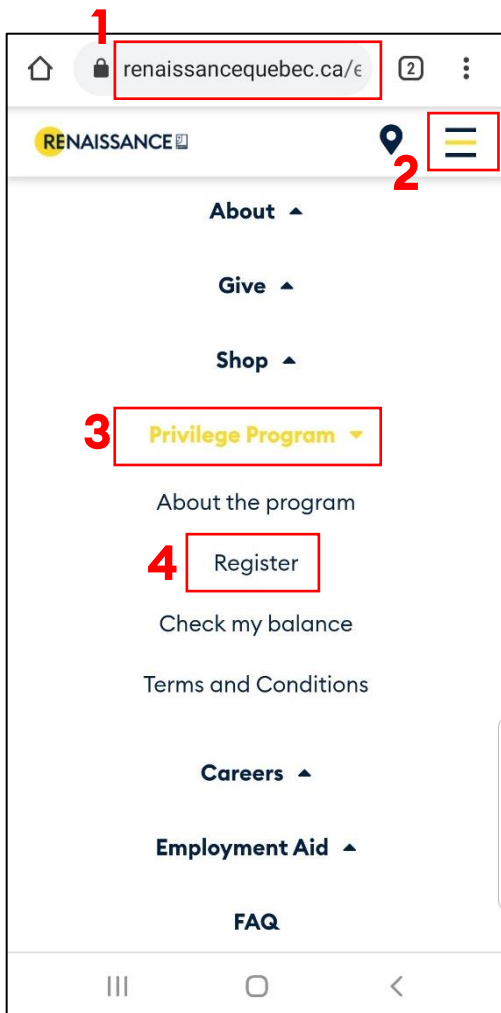

For Android users

With your smartphone, start by opening your Google Chrome browser

1. Access our website : renaissancequebec.ca
2. Click on the 3 lines in the upper right corner
3. Click on “Privilege program”
4. Select “Register”
5. You will then be redirected to a new page. Be sure to be in the “sign in” tab.
6. Enter your email address, the password you created when registering and click “I’m not a robot”

You will then see your card, your point balance and every transaction made with your card.

7. Click on the 3 dots in the upper right corner

8. Click “Add to Home Screen”
9. Click “add”
10. Click “add” again
11. You will now see the renaissance shortcut as an app on the home screen of your cellphone
